Classroom Procedures

***Arrival:** Upon arrival, place your backpack, jacket, and any loose items in your locker. Be sure to grab your daily folder and place it in the designated bin before class begins. When the tardy bell rings, you should be prepared to start class either at your desk or on the class meeting mat at the front of the classroom (as stated on the whiteboard). If you are instructed to sit at your desk, you should begin working on the bell ringer exercise written on the board.

***Tardy:** If you are tardy to school you are expected to check in to the office and get a pass to class. When you get to class come in and begin working without disrupting other students.

***Absences:** If you miss class, you can get your missed assignments from the designated "Absent Folder" from the day you missed class. Any assignments that were to be turned in the day you missed class will be labeled with the your name and can be turned in to the teacher at the beginning of the next class. It will be the your responsibility to get your work from the folder for each day you miss.

Classroom Procedures

Rules: We will make a classroom set of rules which you will all be expected to follow. The rules will be placed on the bulletin board above the meeting rug where we can all see it.

Discipline

In this class we will use the ClassDojo points system.

*If you set a good example or work really hard, I will award you points which can be used in the class Dojo store where you can get fun prizes. 😊

*If you break the class rules or act out in class, ClassDojo points will be taken away. I will use my best judgment and provide a fair amount of warnings before taking appropriate action or contacting administration. 😞

You will be responsible for your own behavior. Before I talk to the Mr. Baker you will get:

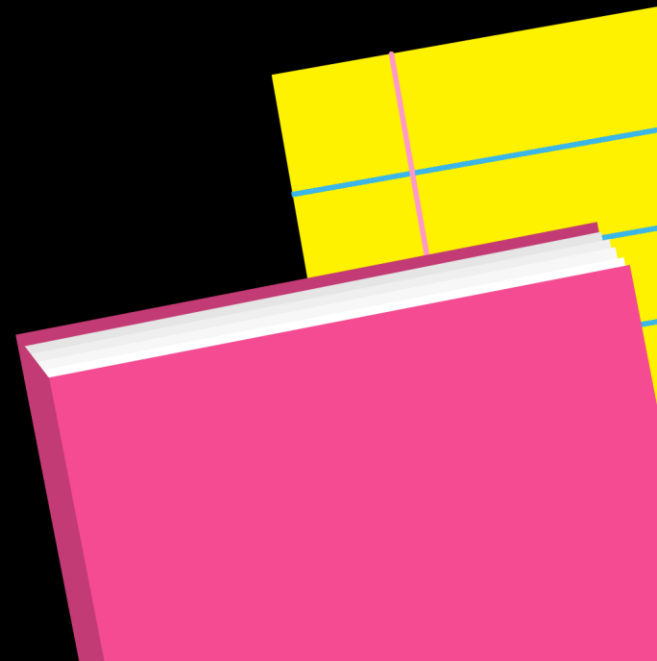

1. Two verbal warnings
2. Loss of Dojo points
3. 5 minutes taken off recess
4. Student-Teacher conference
5. Phone call home
6. Parent-Teacher conference

Homework Assignments

*In this class we will not have homework unless you do not complete an in-class assignment. Keep that in mind when you are working on your class work. Time management is very important.

*Daily folders will be sent home every night. Each folder will have a "Take Home" pocket and a "Return to School" pocket. Any classwork you are unable to complete in class will be placed in the "Take Home" pocket. When assignments are complete, they should be placed in the "Return to School" pocket so you can turn them in on time. I will remove all completed assignments daily.

Let's have a great
year!
